

MEDITECH Expanse TIP SHEET

“Consult to Physical Therapy Specialty” Surveillance Updates

To facilitate awareness of patients who have a Consult to Physical Therapy Specialty order - these patients will pull into the Hospital PT Consults More List, include a “PT Specialty” flag, and will populate to the Therapy Consult Watchlist. This order may not be used at all facilities.

Name with Account Flag	Room-Bed Location	Attending Provider Reasonable Provider	Code Status	PT Consults	PT Consult Order	WB/Imm	Eval/Tx Date	DC Orders	Mother/Baby	Primary Ins
cSurveillance,Randy	3008-QE-X-1 Behavioral Health Unit ADM IN	Provider Hospitalist01	Reass Status Not Ordered No H...	PT Specialty	03/31/26 Con...					SYSTEM ASSIGNED CODE

The PT Specialty (1) flag will indicate that this patient has a Consult to Physical Therapy Specialty order.

The order can be viewed by selecting it from the PT Consult Order column (2).

***This is the same workflow as the PT Consult flag that exists today.**

Account Name Status	Age Sex Room-Bed Location	OT	PT	PT Specialty
F00000001461 Surveillance,Randy ADM	39 M 3008 1 Behavioral Health U...			03/31/26 14:47

The Therapy Consult Watchlist will also display patients with a Consult to Physical Therapy Specialty order (1).
